Some of these articles were purchased for the Museum, some others by the Palace, some more by the Artware Deptt, and the remaining articles were sent by the President of the Madras Exhibition Committee, Mysore Section (I.G. of Police), to the Govt Museum for being deposited there. As the Museum Suptdt was of opinion that they were not worth being purchased for Govt, he suggested that they might be returned to the owners. The Govt however ordered that Mr. Cameron, then Museum Suptdt, and Mr. Raghavalu Naidu, then Executive Engineer, Palace Dn should value them and submit a report on the prices which might be reasonably offered for them and that if their owners accepted such valuation and repaired the articles at the cost fixed therefor to the satisfaction of Mr. Raghavalu Naidu, they should be purchased for Govt and kept in the Museum. Requests that sum of Rs 824 and odd due on account of the Exhibits purchased from Gudigar Subbanna may be paid to him (Hammantappa) as requested by Subbanna himself in his petition to the Amildar of Sorab. 52 From the list attached to the Shimoga D.C's letter d. 22nd May 1911 (Sl. No. 37 in Gen. File No. 152 of 1906) it is found that the only article purchased from Subbanna himself is the large sandalwood box (called by the present petitioner as jewel box), and the price of it, viz Rs 500 minus advances has not yet been paid to him owing to Civil Court attachment. Ramapattabhishekha is another Exhibit which stands in the name of Subbanna & Hammantappa conjointly, and in respect of payment of its value, the Dy Commr has been asked to address the Palace authorities, as they are stated in the list to have purchased this Exhibit. The bill of cost of the ivory glove-box purchased from the petr. Hammantappa was sanctioned in G.O. No. G 5819-22 d. 5. 4. 1911, and the D.C. says in his D.O. of the 28th March 1913, that the amount "appears" to have been paid and stamped receipt taken from him.

Comptroller. The D. C. adds that, after satisfying attachment orders in the execution cases against the said Subbanna and Sivappa, only a balance of Rs 10/- in favor of the former and of Rs 62/- in favor of the latter remains, which he says, has been held in deposit ~~def~~ pending disposal of the claims of the Assistant ~~Com~~ Engineer, Palace Dn against the brother of the former, and of the claims of Kesāppa and Sriakappa for having repaired the small sandalwood box of the latter

6) As regards Subbanna, the records of this office however show that he has received Rs 100/- as advance - Rs 50/- paid to him in 1904 by the Sub Dn Officer, Sagar, and Rs 50/- sanctioned in the G.O. of the 28th August 1908. But the D.C. in his letter to the Comptroller says that only Rs 50/- is recoverable from the individual, while in his letter to Govt reports that the advance made to him in 1904 has been adjusted already. It is not clear whether these statements are discrepant, or whether the outstanding sum of Rs 50/- referred to in the D.C's letter to the Compt is that sanctioned in the G.O. of 1908 referred to above. The point may be verified by a reference to the Compt: unofficially if approved, as also the fact of the recovery of the price of ivory.

Of these, the payment of the first advance is admitted by Subbanna, and the D.C. says that the amount was advanced on 16.12.1904 and was the only amount recoverable from him. Dear Sir

Your D.O.No.G.5658 dated the 19th instant.

Its enclosure herewith returned is a petition from Hanumanthappa and not from Subbanna.

The report called for in your dockets Nos. G.5691 and 6668 dated 24th April QOQW and 18th June 1912 is delayed for reasons given below:-

(1) It is understood from references available in the Office that the only articles supplied for the Paris and Delhi Exhibitions regarding the nonadjustment of the price of which Gudigar Subbanna is complaining are four as referred to in Government Order No.G. 5196-52-56,G.M.12-05-10 dated 23rd April 1906. Of these the prices of item one Ivory Glove box belonging to Hanumanthappa and three Sandalwood Album Boards belonging

ing

belonging to Gopalappa would apprear to have been paid to the parties and stamped receipts obtained from them forwarded to the Comptroller.

The remaining two items ~~from the~~ form the subject of Government Proceedings No.5370-73/G.M.152-06-41 dated 10th April 1912 and the bills referred to therein were received duly audited by Comptroller with his docket No.4385 dated 8-1-1913. These two bills and the docket cited above are submitted herewith for perusal and return.

These bills have not been cashed as there are Civil Court attachment warrants in both cases and in the case of the amount payable to Sivappas widow Subbamma (which name has all along been wrongly mentioned though her correct name is Sabamma) it cannot be ascer_ tained whether the amount payable to Keshavappa who repaired the box is to be met out of Rs.200 for which the bill is audited or from Rs.50/-which has been with-

held

withheld by Government Order.

I am in correspondence with the Sub Division Officer Sagar and the Amildar of Sorab on this subject and on receipt of definite information from them steps will be taken for the adjustment of the claims.

Sir,

With reference to your letter No.G.3170/G.M.325-11-18 dated the 25th October last forwarding a petition from Hanumanthappa sandalwood carver, in which he prays for the settlement of his claims, I have the honour to state as follows:-

Banavasi Subbanna who made the large sandalwood box costing Rs.500/-, the bill for which was sanctioned in Government Order No.G.5370-73/G.M.132-06-45 dated the 10th April 1912 has, in a petition addressed to the Amildar of Sorab Taluk stated that the price of this box as well as some other articles referred to in the next para, may be paid to petitioner Hanumanthappa. The amount of the audited bill received from the Comptroller, less deductions referred to in the Government Order is Rs.364-7-0. Two warrants for the attachment of this amount in full have been received from the Munsiff of Sagar. The petitioner Hanumanthappa can therefore get nothing out of this sum, which has to be remitted to the Munsiff's court (deducting a sum of Rs.10/- due to the Executive Engineer Palace Division). As some portion of the amount disallowed by the Comptroller as recoverable advance has apparently been already ~~&&~~ recovered the matter is under correspondence with the Comptroller. If it is found that after meeting all claims of and against Subbanna, any balance is payable to him the question of paying it to the petitioner will be duly considered.

2. The further sum of Rs.322/-claimed by the petitioner is not ~~&~~ on account of any articles purchased from him; but it is claimed because Subbanna in his petition to the Amildar of Sorab referred to in the last para has stated that the amounts due to him for the following articles made by him and Venkatakrishnappa may be paid to the petitioner:-

(1)	Balance due on account of 2 sandalwood mandasanams.	Rs.133-8-0.

Sir,

With reference to your letter No.G.532/G.M.325-11-15 dated the 21st July last re the settlement of claims of certain sandalwood carvers of Sorab,I have the honour to forward herewith copies of the marginally noted correspondence on the subject. It will be seen therefrom that the sums of Rs.50/- as cash advance,and Rs. 35-9-0 as the price of ivory given to Banavasi Subbanna for preparing certain exhibits cannot be deducted out of the price of the sandalwood box prepared by him,as those items are reported by the Amildar of Sorab to have been adjusted already. A bill sent to the Comptroller for audit having been provisionally passed,I solicit early orders of Government for the payment of this amount to this gudigar in full settlement of the price of the said large sandalwood box purchased by Government.

Dated 12th November 1913. No. 2520.

His docket No.4385/T.A.N. 739 dated 8th January 1913 forwarding two audited bills for Rs.364-7-0 and Rs.200/- respectively in connection with the claims of gudigars Subbanna and Sivappa for sandal wood articles prepared by them.

Has the honour to state that in consequent of warrants of attachment having been received from the Munsiff of Sagar and for the settlement of certain details connected with these claims,the bills have remained uncashed. As they were reaudited more than six months ago,it is requested that they may be reaudited and passed for payment. They are herewith returned.

2. As regards the disallowances amounting to Rs.135-9-0 in Subbanna's bill,has the honour to state as follows:-

According to this office letter No.368/211 dated the 22nd February 1908 to the Secretary to Government,General and Revenue Departments(copy enclosed) the amount recoverable from Subbanna is only Rs.50/-which is the advance paid to him on 16th December 1904 by the Sub-Division Officer,Sagar. From the Sorab Amildar's No.256 dated 13th September 1913 to the Sub-Division Officer,Sagar,it is seen that no other sum remains to be recovered from Subbanna on account of either cash advance or price of ivory. The sum of Rs.35-9-0 which was due on account of price of ivory is reported to have been recovered in 3 instalments on 23rd August 1904,1st July 1905 and 3rd October 1907 and included in the sum of Rs.56-10-2 credited to the Sorab Taluk Treasury on 5th June 1908 with chalan No.69 to the credit of the Artware Department. Accordingly a further sum of Rs.85-9-0 is due to Subbanna a and a bill therefor is herewith enclosed for favour of audit.

3.

3. As regards the bill for Rs.200/- for the amount due to Sivappa it may be noted that a further sum of Rs.12/- has to be deducted from the amount to be paid to Sivappa on account of charges for having the box repaired by one Tirakappa; but neither this amount nor the sum of Rs.50/- disallowed in this bill is to be credited to Government. The sum of Rs.50/- on account of which the disallowance has been made represents the amount advanced by the Amildar of Sorab to Sivappa out of money received by him as the price of exhibits sold in the Madras Exhibition of 1903 and has to be paid back by him to that account. A bill for this sum of Rs.50/- is also accordingly sent for audit.

With reference to your letter No.G. 4022/G.M. 325-11 dated 24th October 1914 enquiring in regard to the claims of Banavasi Subbanna as to (1) when and how the advance of Rs 50/- made to him for preparing certain exhibits was adjusted (2) whether the sum of Rs 50/- sanctioned in Government order No. G.1377-80/ G.M.152-06-21 dated 28th August 1908 to be advanced to the same individual for repairs was drawn and paid and if so when and how, I have the honour to state as follows:-

The amount was drawn and paid from the Sagar Taluk Treasury. It still remains unadjusted.

Enclosure No. one

With reference to Secretary's No. G. 4022/G.M. 325-11 dated 24th October 1914, reports on the advance made to Gudigars for certain exhibits

GPB—75 reams—25-5-10

letter No. 146 dated 9th April 1914 (copy enclosed) he has stated that no sum is outstanding as recoverable for repairing the sandalwood boxes. There is also nothing to show that this amount was drawn in this office or in the offices of the Sub-Division Officer, Sagar or of the Amildar, Sorab. The advance sanctioned in the Government order referred to does not thus appear to have been drawn and paid to Subbanna.

4. I have therefore the honour to request that the amount of Rs 85-9-0 out of Rs 135-9-0, which has been withheld payment may now be permitted to be disbursed to Subbanna. The amount of Rs 50/- to be really withheld is what is referred to in para 2. I also request that permission to draw the sum of Rs 50/-, similarly withheld from the amount due to Andavalli Sivappa, may be conveyed.

5. As regards the matter referred to in para 2 of your letter, I have the honour to state that the sandalwood articles referred to in paragraph 2 of my letter No.221/R.121 dated 11th November 1913 are the same as those referred to in my letter No. 249/R. 138 dated 22nd November 1913 and your reply thereto No.R. 5072/Agri. 66-09-22 dated 7th January 1914. The Assistant Commissioner, Sagar Division has been requested to furnish a reply to the questions raised in your letter. His reply is still awaited. This matter will also be finally dealt with on receipt of the Assistant Commissioner's reply.

Copy of letter No. 146 dated 9th/11th April 1914 from the Honorary Assistant Engineer, Mysore Head Quarter Range, Mysore to the Deputy Commissioner, Shimoga District, Shimoga.

Your No. 362 dated 24th March 1914 requesting information as to the source from which Rs 50/- sanctioned in para 2 of Government order No. G. 1377-8/G.M. 152-06-21 dated 28th August 1908 was advanced for repairing the large sandalwood box referred to therein and whether the advance has been adjusted or still to be adjusted.

"""""""""""

With reference to the above, I have the honour to reply that it is not known in this office when this advance was made and recovered as all advance in connection with the preparation and repairs of the sandalwood boxes of the Delhi Exhibition of 1902-03 had been made by the Civil Department. All that is known to this office regarding the above advance of Rs 50/- is, that the Comptroller, Mysore Government referring to para 2 of the Government order, requested the Executive Engineer, Palace Division in his No. 1929 dated 28th September 1908, to inform whether the sum ~~is~~ was required immediately or the same would be debited to the Civil Department through the exchange accounts later on to which the Executive Engineer replied that the amount was required immediately.

In your letters No.112 and 187 dated 28th September 1907 and 29th November 1907 respectively, it was stated that a sum of Rs 62/- was advanced to Andavalli Sivappa for preparing the small sandalwood box and that Rs 50/- in cash and Ivory worth Rs 35-0-0 had been advanced to Subbanna for preparing the book slides for the Delhi Exhibition; while the Government stated in their Proceedings No. G. 3707/G.M. 152-06-25 dated 21st December 1910 that Rs. 100 in cash and 11 seers of ivory had been advanced to the latter for the large sandalwood box.

When submitting the bills for Rs 500/- for the large sandalwood

box and for Rs 250/- for the small one, the Secretary, General and Revenue Department was requested in the Palace Division Executive Engineer's No. 695 dated 7th/8th August 1911, to ascertain from you the exact amount advanced to the Gudigars and then to make necessary arrangements to pay the Gudigars whatever amounts may become due to them.

No advance is outstanding in the books of the Palace Division as recoverable from any of the carvers, for repairing the sandalwood boxes.
